## Enter your 'before and after' story

Have you rewritten a document or webpage that wasn't doing its job?

The Turnaround category offers a great opportunity to showcase your success in transforming an ineffective document into a good one.

There's a place on the entry form to tell your story. Why wasn't the original document working? What did you do to make it work?

(If you've ever had a document or webpage nominated for a Brainstrain award, here's your chance for redemption!)
